PREPARATION FOR TREATMENT - ROACHES - SPRAY

It is necessary to remove all pets, cover fish tanks and remain out of the unit for approximately 4 – 6 hours following the treatment.

Empty all kitchen cupboards, top and bottom, of all items.

Clear all counter tops.

Remove and empty kitchen drawers and place drawers on the counter.

Empty medicine cabinet and vanity in all bathrooms and clear all bathroom counter tops.

Pull stove and fridge away from the wall and clean up any dirt that is left under the appliances.

After Treatment Information

Following the treatment do no wash or vacuum shelves or baseboard areas for approximately 3 weeks.

Place wax paper or a loose shelf liner on the shelf prior to placing items back into the cupboard areas.
